IS IT YOUR KIDNEYS?

Don't Mistake the Cause of Your Troubles. A Hartford Citizen Gives a Valuable Hint.

Many people never suspect their kidneys. If suffering from a lame, weak or aching back they think that it is only a muscular weakness; when urinary trouble sets in they think it will soon correct itself. And so it is with all the other symptoms of kidney disorders. That is where danger often lies. You should realize that these troubles often lead to dropsy or Bright's disease. An effective remedy for weak or diseased kidneys is Doan's Kidney Pills. Read the experience of a resident of Hartford who has tested Doan's.

Daniel King, Hartford, Ky., says: "I suffered intensely from pains in my sides and in the small of my back. Doan's Kidney Pills had been used by friends with such fine results that I thought I would try them. I got them at the Ohio County Drug Co., and one box permanently cured me."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. King had. Foster-Milburn Co., Props., Buffalo, N. Y.

COOPER TALKS TO MANY FARMERS

Great European War Will Not Affect Distribution of Tanlac.

Lexington, March 29.—Thousands of farmers from Fayette and adjoining counties heard L. T. Cooper, the great philanthropist, in Lexington recently. Cooper gave one of his famous lectures on health and hygiene, in connection with an interesting demonstration of the merits of Tanlac, the remarkable medicine he is introducing to the American people.

Several score of these same farmers took part in the agricultural exposition conducted by Cooper at his own personal expense in Lexington. Many of the displays excelled the exhibits at the county fairs and have attracted widespread attention throughout Kentucky.

In speaking of Tanlac and the remarkable cures his great medicine is fulfilling, Cooper said to the farmers:

"Tanlac, gentlemen, is not a common patent medicine. Tanlac is a proprietary medicine—the kind of medicine recently spoken of by Hon. Oscar Underwood, the Democratic leader of the House of Representatives in our national Congress at Washington, D. C. You all know that Mr. Underwood was a candidate for the Democratic nomination for President, and that he is a man of great ability and integrity. He is a native Kentuckian, too.

"Realizing what a real hardship it would bring to the thousands of American people who daily use Tanlac and similar proprietary medicines, should these preparations be included among the popular commodities upon which a special war revenue tax was placed, Congressman Underwood, with characteristic safeguard of the people's rights, placed himself on record as unalterably opposed to anything that would increase the price of proprietary medicines, or which would tend to deprive the working man of his best friend.

"The result was that Tanlac and similar proprietary medicines were stricken completely off the war revenue bill. Thus it is, gentlemen, that the thousands of sufferers in this country are enabled to obtain Tanlac now at a price within reach of the most modest means."

Here, Cooper, holding the attention of the great assemblage, explained the causes and enumerated the symptoms of stomach, liver and kidney troubles.

"Most of the so-called stomach, liver and kidney troubles," said the noted student, "are due almost entirely to catarrhal inflammation of those organs. The constant coughing up of mucus, dull, throbbing headaches, pains in the pit of the stomach, side and kidney region, lost appetite, nervousness, lost ambition, depression of spirits, and susceptibility to coughs and colds, are common symptoms of this miserable condition from which so many suffer."

Cooper then produced hundreds of testimonials from Lexington people as convincing evidence of the genuine merits of Tanlac.

Tanlac is now sold in Hartford by Ohio County Drug Co., also by Z. Wilbur Mitchell, Beaver Dam, Ky. —[Advertisement.

MODERN SIGNIFICANCE OF AN OLD OBSERVANCE

"The name Easter is derived from Eostre, an old Anglo-Saxon goddess. The celebration dates to very early times; with a great variety of customs in different lands, ranging from administering of the baptism among the early Greek Catholics to the sacred ball games, described by Peter, as played by bishops, canons

and other dignitaries. The festivities have centered on a celebration of the resurrection of Jesus. They have arisen out of the general spirit of Easter joys. The spirit of the day is one of rejoicing. The symbol is the lily. Its meaning, though beneath a mass of ostentatious ceremony, is still discernible as the New Testament prophecy when the dead in Christ shall rise and the risen Lord shall lead his resurrected hosts into the splendors of heaven and a new Easter. There gladness shall be for sorrow and songs of praise in place of sighing. In this faith life takes on a new meaning, burdens are mere incidents, sorrow is simply the artist's shaded line to bring out the picture. Death is robbed of its sting and every grave is seen to be sowed with immortelles."—The Rev. Dr. H. L. Winburn, pastor of Walnut-street Baptist church.

Driven Mad by Joy.

Woman So Weak and Nervous Could Not Stand Her Children Near Her—Vinol Changed Everything for Her

Plant City, Fla.—"I wish I could tell everybody about Vinol. For nine years I was in bad health. I got so I could not sleep, and I could not stand it to have my children come near me. I could not even sew or do any heavy housework. I was simply tired all the time. I tried so many medicines I could not recall them all, but nothing did me any good. One day a friend asked me to try Vinol and said it was the best tonic she ever saw. I did so, and soon got the first good night's sleep I had had for a long time. Now I sleep well, my appetite is good, my nervousness is all gone and I am so strong and well I do all my housework and work in my flower garden without feeling tired or nervous. Vinol has made me a well and happy woman."—Mrs. C. H. MILLER, Plant City, Fla. Vinol contains the curative, healing principles of fresh cod livers (without oil) and tonic iron.
